Terms, Conditions and Extra Information

Adults

We require 2 adults to remain for the duration of a party, for supervision.

Group Numbers for Parties

Twelve children is the standard for our parties—including the birthday girl/boy and any participating siblings. This ensures that all children get to participate fully and are safe. There may be wriggle room for one or two additional participants for some of our parties. Extra guests are £15 each. Please enquire when you book.

Age Restrictions

Please check the minimum age guide for the different type of parties. This information is available on the Parties page of the website. It works like this: if the minimum age is seven, that's school year group two (this allows children celebrating their 7th birthday to invite friends who may still be six but who are in the same school year).

Consent Forms

These must be completed and returned to Wildly Curious *at least 3 days prior to the party/event*. Please remember to complete a form for the birthday boy/girl and any siblings. We need to buy food before the party/event and to take into account any dietary or medical needs. Children will not be able to participate without a completed parent consent form. The online consent form is on the Wildly Curious website. It's mentioned in the provided invitations, but we may need you to send out reminders.

Health and Safety

Each Wildly Curious activity is carefully planned, tried, tested and risk assessed. While this can never totally guarantee that first aid incidents won't happen, activities are carried out in a controlled environment and are closely supervised. Safety is paramount. We provide safety briefings as part of each session, so that both participants and adults are aware of the guidelines for activities, and as such, it is their responsibility to abide by the rules and listen to the instructor/s.

Arrival

Please arrive 10 minutes prior to the start of your party/event. The Wildly Curious meeting point is in the first car park (near the butcher's shop). We cannot guarantee that we will be able to extend the length of a party to allow for late arrivals. Please note that pets are not allowed at parties!

Bookings and Payment

Wildly Curious will hold provisional party dates for up to 48 hours. Bookings are confirmed once a £30 deposit has been paid. Payment by bank transfer (BACS) is preferred. Cash and cheques are also accepted, but cheques must be sent early so that they have cleared at least 1 week prior to the party. The party balance is required at least two weeks before the party date. Please note that late payment may result in the

cancellation of the booking, and the loss of the deposit.

Cancellations

If you cancel your Wildly Curious party, the following applies, based on the full party fee. In all circumstances, the £30 deposit is non-refundable.

Less than a week to party: 100%

Please note that we reserve the right to cancel bookings and issue you with a full refund (in case of instructor illness etc), unless the booking has been cancelled due to late payment.

Inclement Weather

The great outdoors is the nature of our business! Therefore Wildly Curious will still hold parties in the rain. However in the event of heavy snow, gale force winds or thunderstorms, our risk assessment may mean having to delay or postpone the party.
